INTERNATIONAL CREDIT UNION DAY

Happy International Credit Union Day to you all! October 18, 2018, will mark the 70th anniversary of International Credit Union Day. This year's theme is "Find Your Platinum Lining." It combines the traditional gift of platinum for 70th anniversaries with a play on the saying "every cloud has a silver lining."

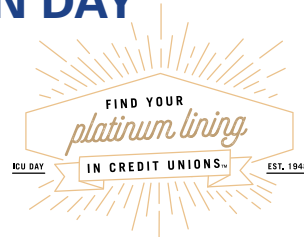

Credit unions all over the world will be celebrating the history and the success of the "People-not-Profit" philosophy. This year's theme emphasizes the credit union movement's loyalty to its members and its mission to provide them financial support and guidance.

The movement began in the 1840s as a democratic consumer cooperative by weavers in Rochdale, England. Frustrated by bankers who denied them loans simply because they weren't wealthy, the weavers and workers decided to pool their incomes and loan money to each other. In time, this cooperation put each member on solid financial ground and encouraged their own businesses to flourish.

The need for equitable financial institutions grew and, in 1971, the World Council of Credit Unions, Inc. (WOCCU) was created to help establish and maintain viable credit union movements. It has become the leading voice for advocacy and governance on behalf of the international credit union community.

Today, over 235 million people are served by credit unions in 109 countries and 6 continents.

Join us at any of our branches on October 18 to celebrate ICU Day! See you then!

HAPPY 60TH ANNIVERSARY TO EARTHMOVER CREDIT UNION!

Earthmover CU was started in 1958 by the employees at the Aurora Caterpillar plant. At that time, ECU only offered financial services to those employees and their immediate family members. In 1988, ECU opened its doors to the local community. Today we offer our financial products and services to anyone living or working in Kendall, Kane, DuPage, Grundy, LaSalle, and Dekalb counties. Growth continues to be strong! Currently, we have over \$275 million in assets and serve over 28,000 members. Thank you to all our members and to the community for coming out to celebrate with ECU in August. We had a great time seeing you all. And a special congratulation to our grand prize winner Victor (pictured at right).

CHARITY CORNER

We have donated over \$10,000 for 2018!

Earthgivers raised \$3,462.08 for David & Nayeli Casas of Aurora who were recently involved in a motorcycle accident that resulted in the loss of both lives. The family very much appreciates the donation from ECU. That puts our 2018 total at \$10,060.61. Thank you for your donations!!

Coming up....

In November, we will be donating food to a local food pantry. December we will be accepting toys for Toys for Tots, as well as participating in the Salvation Army's Angel Tree Program.

SAVING & GIVING

The savings continue! Earthmover CU is committed to our vision of changing people's lives to make our community prosper! One way we are doing that is by helping our community.

This newsletter we would like to highlight another amazing story of changing someone's life by our mortgage loan officer, Mario Chavez (pictured above). Mario had a member come in to discuss the purchase of an investment property. After reviewing the member's goals, Mario discovered that the member was interested in paying off his primary home as quickly as possible. The member was approved for our *10 and Done* home refinance program, and they were able to save over \$75,000 just by refinancing with ECU!

Helping people is what we strive for! We love sharing awesome stories like this. Come see if we can share your story next.
